Every life lost in a Minnesota traffic crash deserves to be remembered. Each crash victim is a unique and special person loved by their family and friends.

The Minnesota Crash Victims Memorial website provides families with the opportunity to memorialize loved ones and connect with other families who have experienced a similar loss.

The site also helps visitors understand the tragedies associated with traffic crashes and the importance to always drive safely to prevent future crashes.

Share your loved one's memorial and help Minnesota remember our traffic crash victims.
